Re: Interim Final Regulation Implementing Next Phase of  
Welfare Reform

Dear Dr. Horn,

I fully endorse the July 17 letter sent to you by Lary Holland  
in regard to the above-referenced subject and Title IV-D.

I believe the present law and its regulations are causing terrible  
injustices and costs that were never intended -- and must be remedied. I  
would be happy to discuss this with you if you wish.

Sincerely,
